

SurCal+™

Without proper soil structure or the use of a surfactant, water flow is concentrated within the macropores.

SurCal+ helps water better reach the micropores, where root hairs uptake critical nutrients for strong growth.

Benefits

- Enhances overall turf quality
- Drives Calcium into the root zone, where it is most needed for proper soil structure and plant uptake
- Reacted Calcium will not tie up in the soil
- Enhances water movement for more efficient irrigation
- Enhances plant metabolism
- Clean, easy handling solution

Sod growers frequently encounter two types of soil construction problems: soils that are “dispersed,” that is, allow too much water, essentially drowning the roots –or soils that are “compacted,” keeping water out of the micropores where nutrients are taken up.

Calcium has been proven to be an essential ingredient to building “flocculated”- or properly structured soil -for maintaining critical micropore spaces for root development and nutrient uptake.

SurCal+ adds an important surfactant to carry the Calcium where it is most needed, while also lowering surface tension for better water movement.

SurCal+™

Guaranteed Analysis

Calcium (Ca) 10.00%

ALSO CONTAINS NON-PLANT FOOD INGREDIENT

Nonionic Surfactant 0.50%

2.5 Gallons (9.46L)

HAZARDS:

Causes serious eye irritation.

WARNING

PRECAUTIONS:

Wash skin thoroughly after handling.

Wear protective gloves/protective clothing/eye protection/face protection.

IF IN EYES: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do continue rinsing and get medical advice/attention.

APPLICATION RECOMMENDATIONS:

SurCal+ can be soil or foliar applied. It may be tank mixed with other fertilizers or agricultural chemicals after conducting a jar test for compatibility.

SOIL SPRAY APPLICATION- Apply one quart of SurCal+ to one gallon of water.

IMPORTANT: Do not mix with phosphates, Rinse equipment well before and after use.

NOTICE TO BUYER:

This product is intended for uses as a professional plant food only. Users must exercise all due professional judgment and caution when applying the product under their own particular growing conditions.

Limitations of Warranty and Liability:

Gulf Coast Organic and any other seller, warrants only that this product conforms to the chemical description on the product label. No other warranty, express or implied, as to the merchantability, fitness for a particular use, or otherwise shall apply. Purchaser's exclusive remedy for loss or damage related to the purchase and/or use of this product shall be limited to the refund of the purchase price only. By using this product, you are deemed to have accepted the terms of this notice.

SHAKE WELL BEFORE USING

STORAGE INFORMATION:

SurCal+ should be stored in a dry-controlled environment. Failure to follow storage guidelines may lead to product degradation.

**For Commercial Use Only.
KEEP OUT OF REACH OF CHILDREN & PETS**
