

# Macro Micro™

There are 17 elements that are essential for plant growth, including nitrogen, phosphorus and potassium, each of which the plant needs in larger quantities.

Some of those nutrients are needed in small quantities, and are referred to as micronutrients. This does not diminish their importance, since zinc, manganese, iron and magnesium are critical for robust growth and color.

The right balance of micronutrients, provided in a reacted form and ready for plant uptake is paramount. Macro Micro is the answer.

## Benefits

- ✦ The perfect proportion of four key micronutrients:
  - \* Manganese
  - \* Iron
  - \* Zinc
  - \* Magnesium
- ✦ Complexed and chelated minerals resist soil tie-up
- ✦ Amino acids complexing provides additional plant growth benefits
- ✦ Enhances quality and color
- ✦ Clean, easy handling solution
- ✦ Will not corrode application equipment

# Macro Micro™

## Guaranteed Analysis 2-0-0

<b>Total Nitrogen (N)</b> 2.00% Nitrate Nitrogen.....	<b>2.00%</b>
<b>Available Phosphorus (P<sub>2</sub>O<sub>5</sub>)</b> .....	<b>0.00%</b>
<b>Soluble Potassium (K<sub>2</sub>O)</b> .....	<b>0.00%</b>
<b>Magnesium (Mg)</b> 2.00% Water Soluble Magnesium (Mg)....	<b>2.00%</b>
<b>Iron (Fe)</b> 3.00% Water Soluble Iron (Fe).....	<b>0.80%</b>
<b>Manganese (Mn)</b> 0.20% Water Soluble Manganese (Mn).....	<b>1.00%</b>
<b>Zinc (Zn)</b> 0.25% Water Soluble Zinc (Zn).....	<b>0.25%</b>

Derived from: Magnesium Nitrate, Ferrous Sulfate, Manganese Sulfate and Zinc Sulfate.

## 2.5 Gallons (9.46L)

### APPLICATION RECOMMENDATIONS:

Macro Micro is a direct foliar fertilizer application. It may be tank mixed with other fertilizers or agricultural chemicals after conducting a jar test for compatibility. Always treat a small test area with any experimental blends to determine potential phytotoxicity before making general applications.

As a TURF spray application, apply 1 to 3 ounces per 1,000 sq. ft. every 7 to 14 days in at least 1 gallon of water. Apply 4 to 6 ounces per 1,000 sq. ft. to correct severe micronutrient deficiencies in the plant. Apply only as directed.

### NOTICE TO BUYER:

This product is intended for use as a professional plant food only. Users must exercise all due professional judgment and caution when applying the product under their own particular growing conditions.

#### Limitations of Warranty and Liability:

Gulf Coast Organic and any other seller, warrants only that this product conforms to the chemical description on the product label. No other warranty, express or implied, as to the merchantability, fitness for a particular use, or otherwise shall apply. Purchaser's exclusive remedy for loss or damage related to the purchase and/or use of this product shall be limited to the refund of the purchase price only. By using this product, you are deemed to have accepted the terms of this notice.

### SHAKE WELL BEFORE USING

#### STORAGE INFORMATION:

Macro Micro should be stored in a climate controlled environment between 50-90° F. Failure to follow storage guidelines may lead to crystal formation or product degradation.

**For Commercial Use Only.**  
**KEEP OUT OF REACH OF CHILDREN & PETS**
