

Ultimate™

Benefits

- ✔ Ultra-Low application rates
- ✔ The perfect blend of efficient Potassium and Phosphorus
- ✔ Enhances Nitrogen metabolism and protein development
- ✔ Promotes uniform maturity and production
- ✔ Enhances plant strength and resistance to drought and temperature extremes
- ✔ Clean, easy handling solution
- ✔ Low impurities

After establishment, crops need proteins for development and nutrients that counter balance the external and internal stresses of development. Nutrients that enhance Nitrogen conversion and Amino Acids that increase microbial activity are especially important.

The Potassium component of Ultimate is critical for plants for water movement, energy production and the activation of enzymes that promote overall plant strength.

The combination of complexed and chelated ionic nutrients in Ultimate provides the optimum solution for strong and vibrant plants.

Ultimate™

Guaranteed Analysis 3-0-3

Total Nitrogen (N) 3.00% Water	3.00%
Available Phosphorus (P2O5).....	0.00%
Soluble Potash (K2O) Iron (Fe).50% Water Soluble Iron.....	3.00%
(Fe).....	0.50%
Manganese (Mn).50% Water Soluble Manganese (Mn).....	0.50%
Zinc (Zn).50% Water Soluble Zinc (Zn).....	0.50%

Derived From: Protein Hydrolysate, Potassium Citrate, Sodium Borate, Copper Sulfate, Ferrous Sulfate, Manganese Sulfate and Zinc Sulfate.

2.5 Gallons (9.46L)

APPLICATION RECOMMENDATIONS:

Ultimate can be soil or foliar applied. It maybe tank mixed with other fertilizers or agricultural chemicals after conducting a jar test for compatibility.

SOIL APPLICATION SPRAY: Apply by banding in or near the seed row or directly on the seed at a rate of 0.5-0.75 gallons per acre.

CONTROLLED IRRIGATION: Inject at a rate of 0.5-1.0 gallons per acre.

FOLIAR APPLICATION: Foliar apply on all crops at a rate of 0.25-0.5 gallons per acre.

ROOT DIP: Mix 0.75 gallons per 10 gallons of water (2-5% solution) by weight. Dip plant prior to planting.

ROOT DRENCH: Mix 4 ounces per 10 gallons of water (0.10-0.50% solution) by weight. Deliver solution to root zone.

NOTICE TO BUYER:

This product is intended for uses as a professional plant food only. Users must exercise all due professional judgment and caution when applying the product under their own particular growing conditions.

Limitations of Warranty and Liability:

Gulf Coast Organic and any other seller, warrants only that this product conforms to the chemical description on the product label. No other warranty, express or implied, as to the merchantability, fitness for a particular use, or otherwise shall apply. Purchaser's exclusive remedy for loss or damage related to the purchase and/or use of this product shall be limited to the refund of the purchase price only. By using this product, you are deemed to have accepted the terms of this notice.
